- Students are required to hold a **Current BLS Card**. A photocopy of your card must be included in your registration. Review and understand all BLS 2010 guidelines. You may find this information in the BLS for Healthcare Providers manual or in other AHA guidelines publications (see www.heart.org/cpr).
- Mandatory Material: **Basic Life Support Instructor's Manual** \$39.00 (90-1036). You must purchase and review this material prior to class. Books available from channing-bete.com or laerdal.com.

Registration Instructions

All instructor registrations are handled with a brief phone interview. A copy of your BLS card and your registration fee are due 14 days prior to class. Your class confirmation will include the address for the instructor class and course to conduct the instructor check-off.

What to Wear

Please wear loose, comfortable clothing to class. You will be practicing skills that require you to work on your hands and knees, and the course requires bending, standing, and lifting. If you have any physical conditions that might prevent you from engaging in these activities, please call the coordinator prior to coming to class so we can help with the issues.

What to Bring

Please bring your own nourishment. There will be short breaks during class, but time will not allow you to leave the building to purchase food/drinks. Bring a pen/pencil and notepad.
